Biography: Ashley Fitzpatrick has a passion for exploring the many true stories of Atlantic Canada and particularly Newfoundland and Labrador. She has more than a decade of experience in daily news and, more recently, magazine writing as a staff writer with Atlantic Business Magazine. She is currently completing a nonfiction book on Muskrat Falls, Churchill Falls and the energy transition. She holds a Bachelor of Journalism from the University of King's College, and both a Bachelor of Arts and Diploma in Performance and Communications Media from Memorial University of Newfoundland and Labrador.

Selected Publications: The Western Star, The Telegram, Chronicle Herald, Atlantic Business Magazine, The Independent (NL), allNewfoundlandLabrador, Riddle Fence, The Democracy Cookbook: Recipes to Renew Governance in Newfoundland and Labrador (2018, contributor).
