Biography:

As a father, husband, and litigation lawyer with McInnes Cooper, Ray Critch unfortunately spends much of his time arguing. He has appeared before all courts in Newfoundland and Labrador and the Supreme Court of Canada, but is more often found explaining to his thirteen-year old son why he has to do his homework, or teaching his newborn son how to pass gas, usually by example. When not arguing with someone he writes spy/crime novels. His first novel, *The Beltane Massacre*, will be published by Breakwater Books in 2025.
